

Gaskets and Gasket sets suitable for

# Audi | Volkswagen

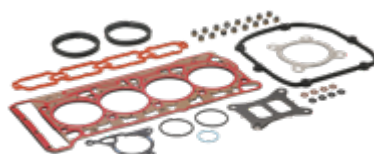

EA888 | CJEB | 1.8 l (Gen. III)

The VW EA888 (EA = development order) is a petrol engine series from Volkswagen AG/AudiAG with four cylinders. The CJEB is the 3rd engine generation with 1.8 litres (125kW). The engine was built between 2011 and 2018. The EA888 differs significantly from its predecessor, the EA113 series, in that the cylinder wall thickness has been reduced from 4.0 mm to 3.5 mm. The camshaft is driven by a timing chain instead of a timing belt as in the EA113. The diameter of the crankshaft main bearings was reduced from 52 mm to 48 mm. The 3rd generation of EA888 engines fulfil Euro 6.
